**Dear Madam/Sir,**

**Thank you for allowing public comment on Project 3018093 at 9666 51st Ave S. With at least 50 requests to [PRC@seattle.gov](mailto:PRC@seattle.gov), please hold a public meeting to review the environmental and landuse issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens.**

**While other forward-looking cities are working to increase urban forests, Seattle is eliminating them at a rapid clip. There are so many reasons to maintain and increase urban trees especially as we continue to sleepwalk into climate chaos. Please allow public comment.**

**Sincerely,**  
Janet Duecy
